Pergola

Standard Equipment:

- Manually adjustable louvres
- Preparation for LED lighting (channel with cover)
- Preparation for retrofitting the electric motor

Please note:

Prices of the Pergolas are based on delivery to the market. The final transport to the end consumer's address needs to be arranged by the market. Offloading requires a forklift!

Note: In places exposed to the wind, the product with privacy screen is at high risk of tipping, so it is essential to ensure that it is adequately fixed to the ground using the fixing materials supplied. Failure to comply may result in damage to the product itself and/or to objects in the vicinity.

*Can also be used with the L shapes on one side

Advantages:

- Very easy to operate
- Lockable bike

Tip:

Available as accessories for the garden sheds.

Attention: Children should only use the BikeLift® under parental supervision.

Made from durable materials:

- Powder coated aluminium
- Brushed stainless steel
- Glass fibre reinforced polyamide
- Maintenance free springs
- Rubberised hook, to protect the bike rim
